

# It's Mother's Day!

# How much do you love your Mum?

Is it this much?

Then Mother's Day is the time to  
show her!

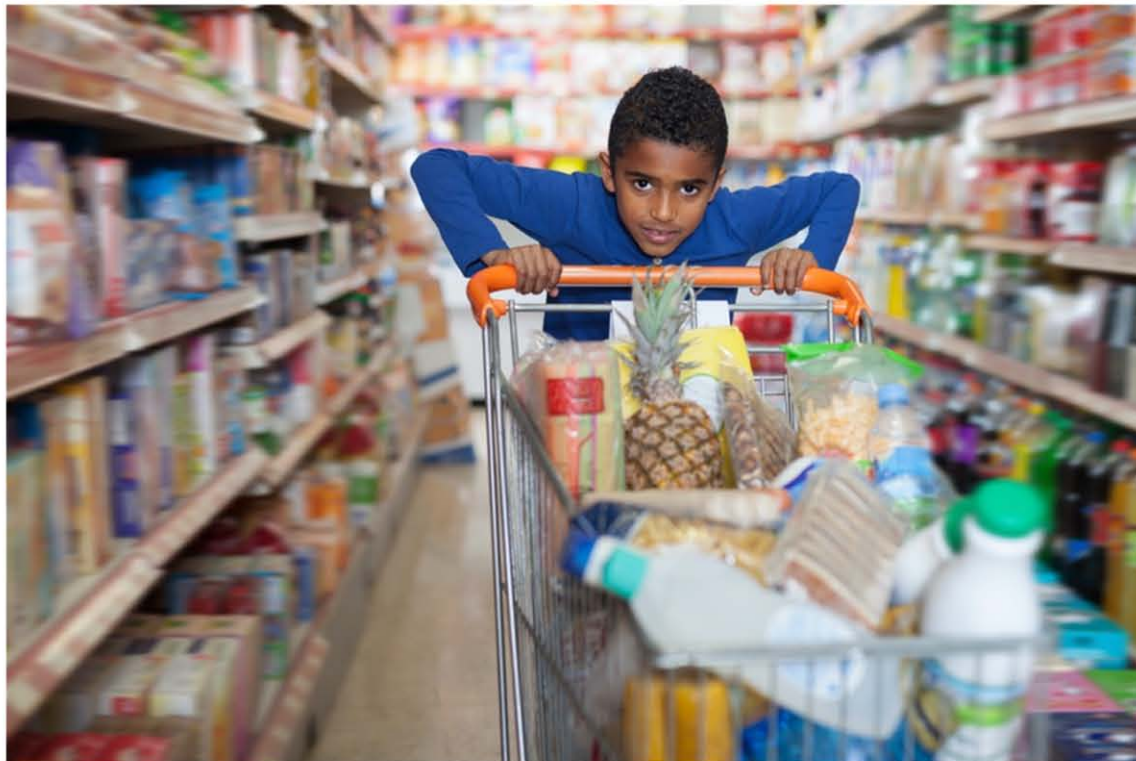

You can show her when you wake  
up.

You can show her at breakfast.

You can show her while running  
errands.

You can show her while doing  
chores.

You can show her any way you  
want.

You can show her however you  
want.

Even if you can't be with her, take  
some time to think about her.

# It's Mother's Day!

# Show Mum your love!
