What is Community?

What do you think of when you hear the word community?

You might think of people. You might think of places.

Every community is different.

What else do you think of?

More Than One Community

That is exactly what a community is.

Each of us belongs to more than one community. Can you name one where you belong.

Communities celebrate differently.

Your school is a type of community.

Your Family

Your family is one of your communities.

You spend time with family. You share what you have.

Families can be big or small.

Many families share meals.

Your Friends

Your friends are one of your communities.

You do things together. You make each other laugh.

Friends make us happy.

Friends often like to do the same things.

Your Favourite Community

We each belong to more than one community. Each one is special.

Which one of your communities is your favourite?

Have you ever joined a team?

Is there a new community you'd like to join?
