Book: I Said Hi!

Boardmaker[®]
Core First[®] Learning

Day 1

Goal: Read the book **I Said Hi!**

Task 1 - Introduce the word 'I' and the book title.

- **Instructor says:** *"We are going to read a new book today. It's called **I Said Hi!** While we are reading the book, we can just check out the pictures and words and see what we notice. I'm going to point to the word 'I' as we go along."*

Task 2 - Do a picture walk with the book.

- Go through the book doing a picture walk to notice things. Whatever they notice, we value. They might notice something about an illustration or something in the text. They might point to something, and you can help describe what they are noticing. The goal here is to give the student the opportunity to get engaged in the book and provide a way to start a dialogue.
- **Instructor says:** *"Wow, yes! I noticed that too! I wouldn't want to say 'Hi!' to a monster, either! What would you say to a monster? What else did we notice?"* (Continue to provide specific examples.)

Task 3 - Point out what you notice about the book.

- Sitting close to your student with the book open, make some observations and connections for the student. You might point out an illustration that reminds you of something else, or text that looks interesting. Point out your genuine connections and thoughts as you go along.

Task 4 - Prepare the student to take the book home and share it with family.

- **Instructor says:** *"That was great! Thanks for reading with me. You noticed some really interesting things. I liked how we saw the word 'I' all throughout the book, too. Here's where that word is found in your device."* (You should navigate there to show them.)
- **Instructor says:** *"I'd like you to take this book home and share it with your family tonight. Find out what they notice! I wonder if they will think of the same things we did today. Don't forget to show them where you see the word 'I,' too. Bring it back tomorrow and we can talk about it some more."*

Word: I / Book: I Said Hi!

Day 2

Goal: Read the book **I Said Hi!** again.

Task 1 - Read the book **I Said Hi!** again and find the word 'I'.

- **Instructor says:** *"I liked reading the book with you yesterday. I bet your family loved reading it, too. And I bet they noticed a lot of things, just like we did when we read it. Let's read it again! This time, we can use your device to say 'I' whenever that word comes up. Let's find it on your device again - here it is"*
- **Instructor says:** *"Wow! The word 'I' was in the book so many times! It's perfect that you have that word 'I' right there, ready to use. You can use it in so many ways! Let's flip back through the book and decide which of these pictures we both really like. We can use your device to tell each other. Ready?"*
- The student can also use **Quickfires** to say the word 'I' as it repeats in the book.

Day 3

Goal: Talk about using the word 'I' at home.

Task 1 - Talk about using the word 'I' at home the night before.

- **Instructor says:** *"Did you find ways to say 'I' when you were talking with family last night? I am sure there were many things you could say with the word 'I.' I thought about it, and I used that word a bunch of times, too! I said the word 'I' when I told my son about my day. I said 'I' had fun at work today! Tell me more about it with your device!"*
- If your student needs help finding the vocabulary to answer your question, open Quickfires.

Task 2 - Read the book with the student again and use the device to find the word 'I.'

- **Instructor says:** *"Let's read this book one more time. You are getting to know the book so well now, and it's getting even easier for you to read it and find the word 'I' all throughout! Excellent! Let's do that now again together."*

Word: I / Book: I Said Hi!

Task 2 - Make a plan to use the word 'I' at home tonight.

- Suggest that the student should talk about things they did at school today by using action words from the word lists (e.g., 'I go,' 'I play,' or 'I eat'). You may decide to send home a note explaining your goal and asking a parent or family member to help with finding the words beyond the target of 'I.' Remember, this assignment can be combined with any tools, depending on the student's needs and skills!
- **Instructor says:** *"I'm so glad you shared the book with your family last night. I'd like you to use the word 'I' tonight when you talk to your family. I think you can use it when you ask for something to eat, play a game, or go somewhere. For example, you could say "I want" and then point to something. You could also use an action word to tell them about school today. You could say "I eat" or "I play" to talk about school. Let's practice it here with me!"*

Task 3 - Have the student create their own book.

- Have the student write a book using the word 'I.'
- If using Boardmaker Instructional Solutions version, see Program Overview for more information on the different levels of Writing Support provided.
- **Instructor says:** *"That was fun! Now I'm excited to help you write your own book using the word 'I.'" (Customize this example with ideas that are motivating and exciting for your student.)*

Task 4 - Have the student plan to read their book at home with family.

- **Instructor says:** *"Great work! It's so much fun to write books, and this one is extra-special because it's all about you! I know your family will like it too. Please take this home and read it to them tonight. When you come in tomorrow, you'll be able to tell me what page they liked best in your book."*

Day 4

Goal: Talk about reading the student-created book at home.

Task 1 - Talk about sharing the student-created book at home the night before.

- **Instructor says:** *"Hello! I can see you are ready to learn today! I can't wait to hear about your night at home! Did you read your special 'I' book to your family? What did they think of it? What page was their favorite?"*

Task 2 - Read the book with the student again.

- **Instructor says:** *"This book is just wonderful. Let's read it again together. You did such a terrific job!"*

Task 3 - Have the student select another 'I' book from the library.

- **Instructor says:** *"Now that we've read a book using 'I' and even written your own, let's take a look at some other books that use the word 'I.' Pick one of these that looks interesting to you, and we'll read it just like we did with the other books. Your choices are **A Helping Hand** and **I Have Feelings**"*

Task 4 - Repeat directions from Day 1; do a picture walk, and locate and use the word 'I' in the book.

- **Instructor says:** *"Wonderful choice! OK. I'll read this part, and you read the word 'I.' Remember that first book, and how we would notice things as we read the book? Let's explore this one together in the same way. Tell me what you notice and I'll do the same thing! Watch closely for the word 'I' to appear!"*

Task 5 - Have the student plan to read the book at home with family.

- **Instructor says:** *"Nice! It was fun to see another book that used the word 'I.' What did you think of the book? Please take this one home to share with your family tonight. You can also show them the one you wrote again, too!"*

Note: You might find it appropriate to assign a supplemental activity for practice at home. See the list of Extension Activities that follow the lesson plan for Day 5.

- **Instructor says:** *"Good morning! I hope you had a great night at home with your family. I know you read that book with them. Wonderful!"*

Task 2 - Read the book from Day 4 with the student again.

- **Instructor says:** *"Let's read it again, or if you want, we can pick a new one! You decide!"*

Extension Activities

Here is a list of potential supplemental activities to allow the student to have more practice using the word 'I.' This list is not exhaustive but is just a start to get the wheels turning to help you develop appropriate extension activities for your student. Have fun!

- **Printable activities:** There are Flashcards and a Bingo game that can be printed in order to play.
- **Find the word in books:** Select books that are interesting and engaging to the student, and see how many times you both can find the target word in the text.
- **Play 'I Spy':** Have the student use their device to say "I" for 'I Spy' and then use Word Lists, Keyboards, and Topics on the device or a communication board to provide clues.
- **Tally and graph production of 'I':** Gather counts for several people or in several activities and compare who said 'I' more or when it was said more.
 - Compare these to graphs created for previously-targeted words or have the student listen for more than one previously-targeted word in the same situation.
