

# Sailing

Core First® Learning

**We like water; we like sailing.**

We catch the wind and  
keep on bailing.

**We like wind; we like  
speed.**

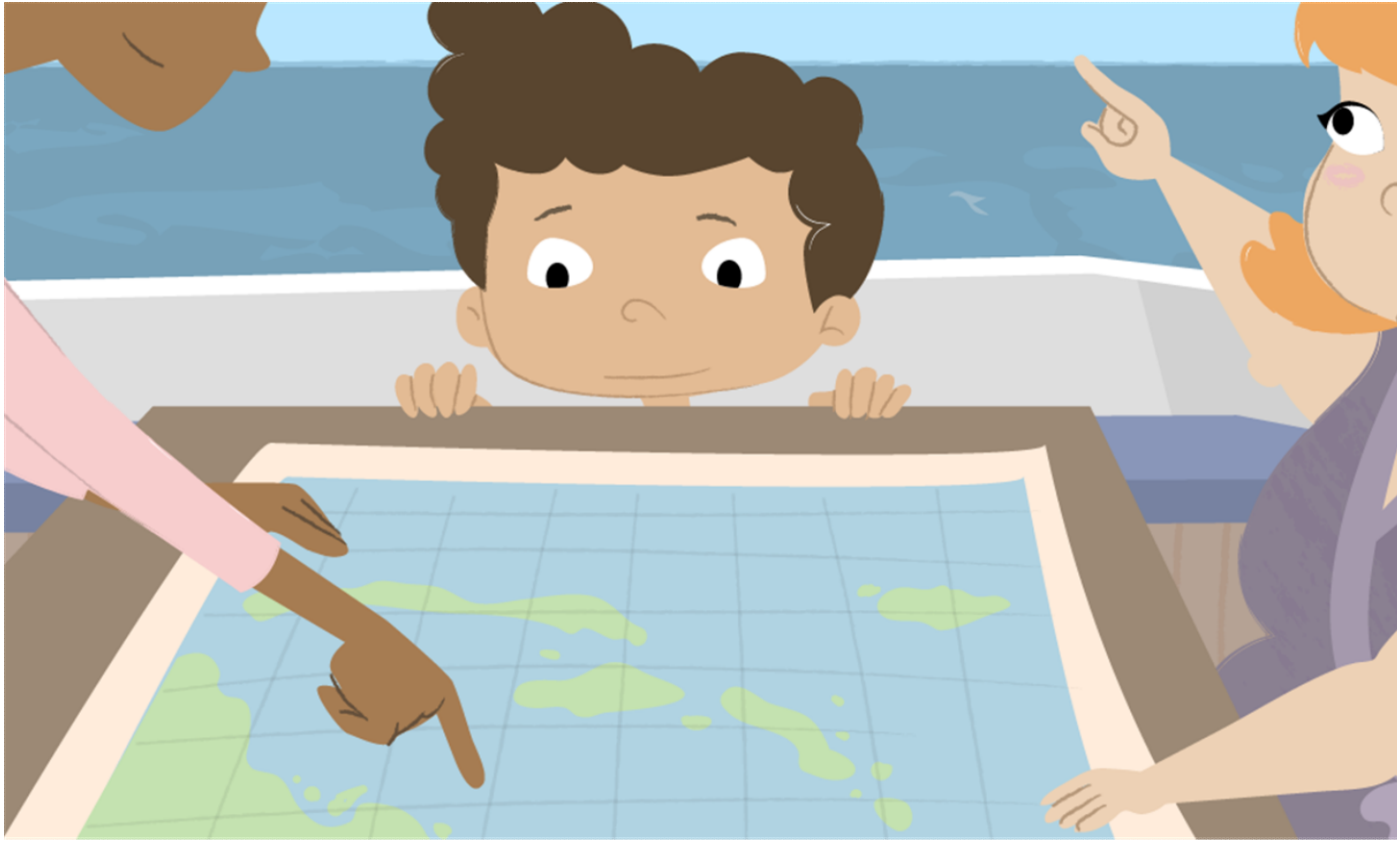

We're the boat that takes  
the lead.

We work hard; we work  
together.

We sail on through any  
weather.

We set our course; we  
chart the way.

We sail on through night  
and day.
