

Time, Talent, and Treasure

It is good to give.

Some people give time.

Do you have time?

Give it to someone in need.

Some people give their talents.

What is something you can do?

Give it to somebody in need.

Some people give treasure.

Do you have something you
don't use?

Give it to someone in need.

Give your time, talent, and
treasure.

It feels good!
